

VIRGINIA TO PLAY CAROLINA

Baseball Teams Will Play Two Games, One on Each Ground.

BRIGHT OUTLOOK FOR SQUAD

New Material Is Showing Up and Fifty Applicants Are on Hand.

(Special to The Times-Dispatch.)
CHARLOTTESVILLE, Va., February 10.—Alfred T. Brant, of Los Angeles, Cal., manager of the University of Virginia baseball team, has succeeded in arranging two games with the University of North Carolina, the first to be played in Charlottesville on April 15th, and the second in Chapel Hill on April 20th. At the time the Virginia schedule was published, it looked as if the two old rivals would not meet on the diamond this season, but now that the games have been arranged, there is much joy among the Virginia student body over the fact that the two teams will once more get together. Last season Virginia won the baseball championship of the two States, capturing two out of three games with North Carolina. The deciding contest was played at Chapel Hill, Virginia winning out in the ninth inning by the close score of 4 to 3.

The prospects are unusually bright for a strong team at Virginia this season. Ten out of eleven of last season's "V" men are in college and one of the best nines in years should be the consequence. Besides those who made their letters last season, a number of the others on the squad have reported again. The new material is coming out. So far about fifty applicants have taken Director Lanning's physical examinations, the large majority being old men. The squad is now drilled in the Payweather gymnasium every afternoon, in the baseball cage. Batting practice will be inaugurated this week. Among the new men in college this year are many who are able as baseball players as already known. Among the members of last year's team in college are: Chandler, Walker, center field; Chandler, catcher; Lawler, shortstop; Rice, first base; Hoff, third base; Dalton, left field; Johnson, right field; Maddux, second base; Moses, Suggs and Moore, pitchers.

PUT IN MOTOR CARS.

Tidewater and Western Making Test That May Result in Good.

(Special to The Times-Dispatch.)
CHESBURY, Va., February 10.—The Tidewater and Western Railroad, that runs from Farmville, tapping the Southern Railroad at Moseley's Junction, through this place, to Chesapeake, and then to deep water at Bermuda Hundred, like all other enterprising railroads, are looking to improving facilities of transportation, with an eye on the future. They have been testing for the past two days a motor car, which, if acceptable, will be an aid to the public in reach of their line, and by putting several of these cars on their road they can virtually establish a quasi electric car service. One car carries eighteen passengers, with four engines or batteries, propelled by gasoline. A single engine car can run sixty miles at a cost of forty-five cents for gasoline, and one of these four-battery cars can be operated at a proportionately less cost, as all the engines are not needed except when fully loaded. By establishing stations along the route and running every two or three hours, they can transport passengers to the Southern at Moseley's, and east from that point to Chesapeake, where they can connect with the Atlantic and Petersburg, or connect with the three trunk lines passing here by any part of the country. By a reasonable charge to these points, numbers of the citizens who are needed for the running force, and it is hoped that the Tidewater and Western will find the test satisfactory.

The young people (and some of the old, too) are having a grand time here at present, day and night, sledding the hills, of which the Tidewater and Western supply. Large crowds gather, particularly at night, and make breakneck trips down the hills on the frozen snow. The young folks are having a grand time. Miss Lela Steinback, of the Petersburg Female College, is visiting here and greatly enjoying this pastime with her relatives in this place. The Epworth League and the Ladies' Purness Society, who for five years have been pastoring the First Baptist Church of Lynchburg, preached his farewell sermon to-day, preparatory to leaving for Savannah, Ga., where he goes on March 1st to begin work as pastor of the First Baptist Church of that city. Dr. Pickard will spend the interim visiting his daughter, who is in New Mexico with her mother, for the former's health.

LYNCHBURG, Va., February 10.—Dr. W. T. Pickard, who for five years has been pastor of the First Baptist Church of Lynchburg, preached his farewell sermon to-day, preparatory to leaving for Savannah, Ga., where he goes on March 1st to begin work as pastor of the First Baptist Church of that city. Dr. Pickard will spend the interim visiting his daughter, who is in New Mexico with her mother, for the former's health.

TONIC FOR MOTHERS

Dr. Williams' Pink Pills Are Safe and Reliable—A Favorite Household Remedy.

Motherhood may be the crowning blessing of a woman's life, or it may bring grief and sorrow. Mrs. M. J. Winters, of 10 Governor Street, Auburn, Maine, relates her experience after the birth of her daughter in 1901, as follows: "I was all run down at the time the baby came, and did not improve in health until after I was told, thin and bloodless. My stomach distressed me, being full of gas all the time, and my heart fluttered so that I could scarcely breathe. "Finally I remembered that a friend had recommended Dr. Williams' Pink Pills to me, so I commenced using them. I gained in strength rapidly, while the baby thrived also. When I expected my next child I started taking the pills again as a tonic and strengthener, and had no such difficulty as before. I got up better and my strength came back much sooner. "A year ago last winter I had an attack of rheumatism in the hands, which brought me to bed, and to the other. The joints swelled up, and were so stiff I could not move them. The pain extended up through my arms and shoulders. I felt sick enough to go to bed, but did not do so. This attack lasted for several weeks. I took several remedies, but finally came back to using the pills which had done me so much good before, and found that they benefited me almost at once. I have not been troubled since. "All druggists sell Dr. Williams' Pink Pills, or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Company, Schenectady, N. Y. Send for book of cures."

(Special to The Times-Dispatch.)
PETERSBURG, Va., February 10.—Bishop A. M.
